do you dream of me?

Author's Notes:
Dont own these fellows. Sadly.

And ever since i met you i have never slept alone, in my dreams you have been, always with me, all the time, and sometimes really in my arms.
It is the sweetest yearn to feel, my love, my only one.

Whatever you have said to me, I have long before felt.
And if I said something to you, you felt them before, your words became mine, and mine became your's. Our words, our language, a house I built for you.

Forever we lay entwined in our sweet embrace, only to become wide awake, for ours is the real world too and the limitations of it's ways.

Sleep is indeed a house for lovers.
